### PRODUCT DESCRIPTION

The Intimus 280 strip cut paper shredder cuts up to 12 sheets of paper at a time into 1 4 shreds. This model is an efficient personal shredder that provides data protection for small to mid sized companies. It is particularly easy to use with an automatic light barrier system that notifies you of its operations. The 280 shredder features manual reverse switch to easily direct misfeeds or overfed paper with a ready indicator light. Its waste catch basket holds up to 1.2 cubic feet of shredded waste and can be dually used to hold office waste paper. Its cutters are made of solid steel and can accept paper clips as well as staples.
