### PRODUCT DESCRIPTION

The MBM 3102 CC 316 cross cut shredder features an energy saving motor rated for continuous duty that protects against overheating. For added protection, the break resistant feeding table folds up to form the machine cover when not in use. Its extra wide 12 throat handles up to 18 sheets at a time, shredding paper down to high security 3/16 x 1.5 inch pieces. Clearly arranged symbols, pilot light and automatic start stop function via a photocell provide for easy shredding operations. The steel cutting mechanism of the 3102 CC 316 shredder is designed for many years of high performance. The optical indicator lights notify the user when the bag is full or the door is open. Its pearl gray cabinet comes on casters so it can be easily moved from office space to office space.
