PRODUCT DESCRIPTION

The IPS 831 Superior conveyor shredder is designed for central office facility applications. Whether large quantities of paper, 14 7 8 computer forms, or trash cans full of crumpled paper, the IPS 831 Superior has the capability to shred bulk materials to a 1 4 shred size. It features a 3 horsepower motor, all metal construction and integral steel support chassis. It has a sorting table work platform and a caster mounted waste bin for easy shred removal. With fast 40 foot per minute shred speed, the IPS 831 Superior is capable of making short work out of large shredding jobs. Available accessories include disposable plastic shred bags, shredder oil, and automatic oiler.
