PRODUCT DESCRIPTION

The HSM 104 SC strip cut shredder offers a moderate level of security with its 1/8" shred size for any office environment with secure document shredding needs. With its solid steel cutters, it quickly cuts up to 13 sheets of paper at a time, including paper clips and staples. Small amounts of credit cards, diskettes, and CD ROMs may also pass through the powerful cutting system, though this machine is built to mostly handle paper. Features include reverse button to quickly release overfed or misguided paper, bag full and open door automatic indicators. The console cabinet rolls on casters, offering precise placement around the office.

PRODUCT FEATURES

- 13 sheet feeding capacity
- 9-1/3" wide throat for easy document feeding
- Basket full and door open indicators
- Reverse button to release overfed paper
- Specially hardened solid steel cutters unaffected by paper clips and staples
- Easy emptying of shredded materials; simply tilt and remove container
- Suitable for shredding credit cards
