PRODUCT DESCRIPTION

The MBM 3102 CC 332 cross cut shredder features an energy saving motor rated for continuous duty that protects against overheating. For added protection, the break resistant feeding table folds up to form the machine cover when not in use. Its extra wide 12 throat handles up to 13 sheets at a time, shredding paper down to high security 3/32 x 5/8 pieces. Clearly arranged symbols, pilot lights and automatic start stop function via a photocell sensor provide for easy shredding operations. The optical indicator lights notify the user when the bag is full or the door is open. Its pearl gray cabinet comes on casters so it can be easily moved from office space to office space.
