### PRODUCT DESCRIPTION

The MBM DestroyIt 3802 CC 332 centralized office shredder cuts paper down to a high security 3/32 x 5/8 shredded size. It features an automatic start system plus an optional feeding rack that allows you to monitor the shredding of continuous forms such as voided checks or financial reports. The high quality safety cutting head of the MBM 3802 shredder shreds data print outs as easily as paper with clips and staples. It features a three position rocker switch allowing the user to toggle between forward, stop, and reverse functions. An electronic door switch serves as a safety feature to keep the door closed while in use. The cabinet door can be placed on the front or the back of the shredder for easy removal of shredded material. The energy saving, continuous duty motor protects against overheating. An optional storage rack for EDP print outs is available. The cutting head comes with a five year limited warranty by the manufacturer.

### PRODUCT FEATURES
