PRODUCT DESCRIPTION

The MBM DestroyIt 2250 CC cross cut shredder was built with a quiet cutting head to reduce noise. It shreds up to 6 sheets of paper at a time, including paper clips and staples. The photo cell sensor automatically starts and stops the machine making it useful for one hand paper insertion and shredding operations. The automatic stop and three position rocker switch enables the user to maneuver between stand by, stop, and reverse settings. Paper jams are cleared easily and efficiently. The 2250 CC paper shredder is enclosed in an attractive pearl gray colored cabinet with swing door helps to quickly remove shredded material. Electronic door safety switch keeps the door from coming ajar when in use.
