### PRODUCT DESCRIPTION

The IPS16T is a heavy duty, strip cut shredder that ensures efficient use of vital office space with its distinctive tabletop solution. With its manual operation it is easy to use. This model's horizontal design fits snugly on any office counter or desk space. It has a 16 feed and 1 horsepower drive motor. It will shred up to 40 sheets of paper at a rate of 60 feet per minute, leaving 1/4 shreds. It features a three position control knob for forward reverse stop functions. The stand by mode, established by activating the forward control rocker, allows instant hands free shredder operation. The large waste bin holds up to 50 gallons reducing constant bag changes. Optional equipment includes waste bags, shredder oil, 1 or 3 tiered forms rack and an automatic oiler.
