PRODUCT DESCRIPTION

Standard s 4040 X4 Cross Cut Paper Shredder is made to shred higher volumes of confidential material at faster speeds than most shredders in it s class. Without having to remove staples or paper clips, the 4040 X4 shredder shreds paper at a rate of 50 feet per minute, into a size of 1 12 x7 16 . The 4040 X4 features include casters to provide flexibility to move the unit with ease, automatic cut off when the waste container is full, and automatic reverse, start, and stop. Designed with 16 feed width and a 35 gallon waste capacity, the 4040 X4 shredder s ideally suited to play an important role in maintiaining office information security.
