PRODUCT DESCRIPTION

GBC 6550x High Security Office Shredder 6550X The GBC ShredMaster Production Model 6550x Cross Cut Commercial Shredder is ideal for high volume usage 20 or more users , the 6550x Shredder effortlessly shreds up to 26 sheets into 3 16 x 2 3 8 chips. It includes a high quality, powerful continuous duty motor and a solid one piece cutting head that easily shreds staples and paper clips. Multi functional control panel with visual indicators help keep operator informed Power On, Bag Full, Overload, Door Ajar, Bag full Shut Off, Auto Stop On Jam and Auto On Off . The ShredMaster 6550x features an extra large 55 gallon shred bin that requires fewer bag changes, a protective shield to help keep fingers away from shredding area and castors on the bin to provide easy mobility. This model offers greater security and bulk reduction than the Strip Cut 6500S, but has many of its same capabilities. The funneled 16 wide throat allows for all types of shredding operations from standard office documents up to EDP size computer paper. It is equipped with GBCs Jam Stopper electronics bag full sensor shuts machine off before jams, automatic stop eliminates motor wear and tear, and indicator light informs the operator when waste bin is full. The Automatic Shut Off feature is triggered once the Cabinet Door is opened. GBC ShredMaster Production Shredders are built for years of reliable service and are backed by a complete Three 3 Year manufacturer warranty, with lifetime on cutting heads. FEATURES Cross cut model with 3 16 x 2 3 8 Inch Shred Size and 16 Inch wide throat. Shreds Staples and Paper Clips Continuous Duty Motor Powerful continuous duty motor. Mounted on casters for mobility. Extra large 55 gallon Shred Bin. SmartShred visual indicators help keep operator informed Power On, Bag Full, Overload and Door Ajar. Jam Stopper Electronics feature solid
