PRODUCT DESCRIPTION

The Oztec 1675 FS large office volume shredder features a unique 2 piece design that allows it to fit easily into the trunk of a car. The stand folds flat against the machine for portability. Its equipped with separate handles to carry the shredder. The bag frame uses extra large shred bags allowing longer shred cycles and less frequent bag changes. Features include a key lock system that prevents unauthorized use, an operational re set switch, Quick Stop button and visual indicator light to keep the user informed on shredding operations. The No oiling design means there is no end user maintenance. This model comes equipped with a high capacity open frame stand on casters to roll around the office.
