PRODUCT DESCRIPTION

The IPS 10T ensures efficient use of vital office space with its distinctive tabletop solution. With its manual operation it is easy to use. This model's horizontal design fits snugly on any office counter or desk space. It has a 10 feed throat and 1.3 horsepower motor. It will shred up to 15 sheets of paper at a rate of 60 feet per minute, leaving 1/4 shreds. It features a 3 position control knob for forward reverse stop functions. The stand by mode, established by activating the forward control rocker, allows instant hands free shredder operation. Optional equipment includes waste bags, shredder oil, 1 or 3 tiered forms rack and an automatic oiler.
