### PRODUCT DESCRIPTION

The Intimus 402 CC cross cut shredder is built with a larger bin to hold hours more of waste material yet it is designed in a compact, small to mid level enclosure perfect for most office environments. The 402 CC shreds up to 11 sheets at once into 1 8 by 1 particle shreds. It has a dustproof enclosure to keep the shred particles inside the bin and is mounted on casters for mobility around the office. Features include automatic feed via light barrier and LEDs to notify the user of overloads, misfeeds, and ready light for a go light on shredding, Its cutters are made of solid, hardened steel and provide years of trouble free cutting.
