PRODUCT DESCRIPTION

The Intimus 802 CC is a high speed cross cut shredder equipped with a 17 inch throat opening to handle larger shredding requirements. This machine must be special ordered requiring a slightly longer delivery time. An optional fold away shelf can be purchased to handle even larger paper volumes. This model shreds up to 40 sheets of paper at a time into 1 16 by 9 16 shreds at the blazing speed of 60 ft min. A telescopic sliding frame is incorporated into the front of the machine for accessible, yet dustproof shred collection. The large shelf is hinged to save space. Features include automatic feed system, auto reverse, ready light indicators, LEDs for paper jams, bin full and door open. The cutters are made of hardened steel and provide years of trouble free service.
