PRODUCT DESCRIPTION

The 4030X5 paper shredder is a high speed high security DOD rated shredder. Shredding confidential information at a speed of 57 feet per minute, the 4030X5 paper shredder shreds up to 7 sheets at a time in to a size of 1 32 x7 16 . The 4030X5 is equipped with automatic start stop, automatic reverse, and a single tier forms rack. When the 35 gallon waste container is full or a paper jam is detected the 4030X5 automatically cuts off. The 4030X5 high security shredder is suitable for military, government, defense contractors or any agency that wishes to maintain high reliability along with high security shredding.
