### PRODUCT DESCRIPTION

The Fellowes 420 SC heavy duty, straight cut shredder cuts up to 28 sheets at a time into high security 7/32 strips. It features easy to use electronic controls such as automatic start/stop and special indicator lights. The automatic start/stop setting allows the convenience of one handed shredding. The indicator lights alert the operator of all shredding operations. The machine automatically stops when the bag is full or if the door is ajar. Paper clips and staples are no problem for the state of the art Powershred cutting system. A waste bag is included with the capacity to hold 26.49 gallons of shredded material making bag changes infrequent.
