PRODUCT DESCRIPTION

The GBC 3260X is a medium duty, cross cut shredder with the capacity to shred up to 12 sheets of paper at one time into high security 3 16 x 1 1 2 shreds. Features include a continuous duty rated motor and separate indicator lights for Power On, Bin Full, Feeder Overload, and Door Ajar. The 3260X also has automatic shut off when the bag is full or when paper jams. The EZ feed 10 wide throat accommodates oversized sheets as well as disorganized stacks. The 3260X shredder solid one piece cutter allows paper clips and staples to pass through the machine without damage to the cutting mechanism.
