### PRODUCT DESCRIPTION

The GBC 3220S medium duty, straight cut shredder's compact size allows for centralized use in your copier area. It has the capacity to shred up to 20 sheets of paper at one time into 1/4 shreds. Features include a continuous duty rated motor and separate indicator lights for Power On, Bin Full, Feeder Overload, and Door Ajar. The 3220S paper shredder also has automatic shut off when the bag is full or when paper jams. The EZ feed 10 wide throat accommodates oversized sheets as well as disorganized stacks. Its solid one piece cutters allow paper clips and staples to pass through the machine without damage to the cutting mechanism.
