PRODUCT DESCRIPTION

The GBC 7120 strip cut shredder provides extra heavy duty shredding of all paper sizes up to and including EDP computer paper. It shreds up to 38 sheets at a time into 1 4 strips, at a rate of 30 feet per minute. The one piece cutting head accepts paper, clips, and staple with ease. High throughput and large shred bin provide for more productivity. The bin full and open door automatic indicator lights inform the operator of any problems. The automatic on off setting allows for one handed feeding and the reverse mode clears any paper jam.
