### PRODUCT DESCRIPTION

Martin Yale INTIMUS S407 Departmental Strip Cut Paper Shredder GSA Special Pricing The INTIMUS S407 paper shredder is the bull of the office. It has a 16 wide opening to shred wider paper and computer printouts. It is designed without a standard cabinet allowing it to sit snugly on an office desktop or table space. Instead this model uses plastic bags to attach to the front to dispose of the waste. Even with its compact design it is capable of shredding large volumes of material the same as its larger sized cabinet model. It features easy to use control buttons for added safety, re set switch and visual indicator lights to keep the user informed of shredding operations. This model does not come with a stand; stand available without racks at an additional charge. INTIMUS Business Systems, Inc. unites a proven past with a bright future. Offering quality products for over 110 years. Building a great tradition with new technology, Intimus has merged with Martin Yale Industries, Inc., a renowned industry leader providing innovative products and offering a global network in over 130 countries worldwide. Intimus Business Systems s Shredders features outstanding performance for its brand well known for its powerful, affordability, and versatility. These high capacity machines are designed based on today s technology standards for large volume shredding in a central location and can serve the needs of an entire organization.
