PRODUCT DESCRIPTION

Dahle 20304 Level 2 Strip Cut Small Office Paper Shredder Designed to shred between 100 and 400 sheets of paper per day, it s perfect for destroying personnel records, client proposals and tax information. Dahle s 20304 is built with a 9 1 2 feed opening to accommodate both letter and legal size paper with ease. This strip cut machine offers a 1 8 particle size and is able to shred to security level 2 standards. All you need to do is decide what document to shred and this Dahle Small Office shredder will take care of the rest. This professional shredder is constructed using a wooden cabinet with swing open door. The door hides the addition of a removable Shred Box which makes changing bags easier. This box can be easily lined with Dahles Disposable Shred Bags and emptied or recycled when full. If youre not sure when that will be dont worry. Your shredder will inform you with its visual warning indicators. Once your shredder is empty and the door is closed, it will resume normal operation. FEATURES Quality German engineering ensures precision, durability and silent operation Designed to shred between 100 and 400 sheets per day. The 20304 offers quick and easy destruction of confidential materials. 9.5 Inches Feed opening for easy shredding of letter and legal sized paper Automatic on off allows users to just insert the paper and walk away. Users can save operating time and increase productivity. Auto shut off when waste bag is full prevents overfilling and messy cleanups Solid steel cutting blades make the 20304 stronger and more durable then cutting knives stacked together. This means that the shredder can easily handle paper clips and staples. Rubber Shock Mounts between cutting mechanism and wooden cabinet reduces vibration to provide extremely quiet operation Thermally Protected Motor prevents overheating during constant shredding Metal strippers keeps
