PRODUCT DESCRIPTION

Dahle 20514 Level 3 Cross Cut Office Paper Shredder With the widespread use of network printers and fax machines, confidential business information is constantly being printed throughout the workday. Its important to have a powerful shredder located nearby to easily dispose of this information. This Dahle Office Shredder is designed to accommodate the needs of most busy offices by shredding between 400 and 2,000 sheets of paper per day. It s a perfect shredder for destroying marketing plans, health records, and any other confidential information that should not be seen by others. The Dahle 20514 offers a 10.25 feed opening and can shred a maximum amount of 12 15 sheets of paper at a time. This machine features the latest technology in electronics to offer Automatic On Off operation, and Auto shutoff when the waste bin is full or the cabinet door is open. These convenient features offer the satisfaction in knowing that all you have to do is insert your documents and walk away, your Dahle shredder will take care of the rest. Normal office functions will not be bothered by the use of your Dahle Office Shredder. Each cutting cylinder is encased in an all steel frame and sits on rubber shock mounts. Its this design that reduces vibration through the cabinet and provides whisper quiet operation.
