PRODUCT DESCRIPTION

Dahle 30414 Level 3 Cross Cut Multi Media Paper Shredder Confidential information can be found in many different formats, so why not have a shredder that can destroy them all With this in mind, Dahles developed a new generation of shredders that can destroy more then just paper. This Multi Media Shredder is designed to shred between 2,000 and 8,000 sheets of paper per day as well as CDs, DVDs, and floppy disks. This Dahle 30414 Media Shredders contemporary design and large storage capacity makes it a nice addition to any large office, copy room or communications center. The Dahle 30414 Media Shredder is chain driven to provide slip free power to the cutting mechanism from the powerful 11 4 Hp motor. This Dahle 30414 Media Shredder s solid steel frame houses and aligns two perfectly matched cutting cylinders milled from a single bar of German Solingen steel. The result is a machine with strength, power, and the ability to handle all of your information destruction needs. Dahle incorporated the latest technology when developing this Multi Media Shredder. Standard operator functions are made possible through an easyto use control pad. This allows you to power the unit up and place it in either forward, reverse, or continuous run. The wooden cabinet not only houses the shredded waste but also deafens the noise to allow for whisper quiet operation.
