### PRODUCT DESCRIPTION

Intimus 602CC Cross Cut Shredder 1 16 x 5 8  
The Intimus 602CC Cross Cut Paper Shredder is an all round large office or departmental High Security Information Paper Shredder with special feeder for continuous computer stationery of all sizes. The Intimus 602 series cross cut paper shredder has the edge when it comes to dealing with continuous full width computer paper. The special guide strip makes feeding continuous computer printouts smoother. The sliding acoustic hood reduces noise level when feeding continuous paper. A dustproof enclosed cabinet with separate waste receptacle fits all general office requirements. The receptacle is easily removable by opening the front door which will cause the shredder to automatically turn off. The 602 also includes a special large capacity feed tray for the shredding of continuous computer listings. It features Auto Reverse when overloaded for easy removal of paper jams.
