### PRODUCT DESCRIPTION

Confidential information can be found in many different formats, so why not have a shredder that can destroy them all. With this in mind, Dahle has developed a new generation of shredders that can destroy more than just paper. This Multi Media Shredder is designed to shred between 2,000 and 8,000 sheets of paper per day as well as CDs, DVDs, and floppy disks. The shredder's contemporary design and large storage capacity makes it a nice addition to any large office, copy room or communications center. The 30406 is chain driven to provide slip free power to the cutting mechanism from the powerful 1 1/4 Hp motor. A solid steel frame houses and aligns two perfectly matched cutting cylinders milled from a single bar of German Solingen steel. The result is a machine with strength, power, and the ability to handle all of your information destruction needs. Dahle incorporated the latest technology when developing this Multi Media Shredder. Standard operator functions are made possible through an easy to use control pad. This allows you to power the unit up and place it in either forward, reverse, or continuous run. The wooden cabinet not only houses the shredded waste but also deadens the noise to allow for whisper quiet operation.

### PRODUCT SPECIFICATION

#### DIMENSIONS

Weight:	126.00 lbs.
Width:	19.00 inches
Length:	21.00 inches
Height:	34.00 inches

### PRODUCT FEATURES

- Capacity: 30 / 35 Sheet Capacity
- Chain driven providing slip free power
- Destroys CDs, DVDs & floppy disks
- Feed Width: 12"
- Motor: 1 1/4 Hp 115V
- Shred Size: 1/4" Strip Cut - Security Level 2
- Speed: 30 ft/min
- Waste Bin: 35 Gal

Weight: 126 lbs  
Warranty: 2 Year Warranty On All Parts  
(Lifetime on Cutting Head)
