PRODUCT DESCRIPTION

Dahle 20614ec Level 3 Cross Cut Office Paper Shredder With the widespread use of network printers and fax machines, confidential business information is constantly being printed throughout the workday. Its important to have a powerful shredder located nearby to easily dispose of this information. This Dahle Office Shredder is designed to accommodate the needs of most busy offices by shredding between 400 and 2,000 sheets of paper per day. It s a perfect shredder for destroying marketing plans, health records, and any other confidential information that should not be seen by others. The Dahle 20614 EC offers a 10.25 Inches feed opening and can shred up to 20 25 sheets of paper at a time. It features the latest technology to offer full electronic capabilities including such safety features as Automatic Shutoff when the cabinet door is open, and Auto Reverse to prevent an overfeed. Automatic On Off and Bag Full Auto Off are features that offer both convenience and satisfaction in knowing you will be notified when its time to empty the box or change the bag. Normal office functions will not be bothered by the use of your Dahle Office Shredder. Each cutting cylinder is encased in an all steel frame and sits on rubber shock mounts. Its this design that reduces vibration through the cabinet and provides whisper quiet operation.
