PRODUCT DESCRIPTION

Dahle 30114 Level 3 Cross Cut Personal Paper Shredder Its all about convenience with a Dahle Personal Shredder. Whether youre an executive, a secretary, or someone looking for added security at home, this machine is small enough to accommodate any workspace yet powerful enough to get the job done. Dahles smallest shredder is designed for shredding up to 100 sheets of paper per day and is perfect for destroying bank statements, credit applications and financial records. This shredder can be conveniently placed at arms length so you never have to leave your desk to properly dispose of confidential documents. Dahle s 30114 is built with an 8 1 4 feed opening to accommodate both letter and legal size paper with ease. It s small enough to fit under your desk yet large enough to handle 8 gallons of shredded waste. This shredder features Automatic On Off operation that uses an electronic sensor to turn the machine on. All you have to do is position your document in the feed opening and the shredder will take care of the rest. Bag Full Auto Off is another convenient function that notifies you when the shred bag is full and needs to be changed. Its these state of the art features that saves you time and takes the burden out of shredding your documents. Dahles Personal shredders are made in Germany using the latest technology and finest materials. FEATURES Quality German Engineering means the 30114 is Designed and built to exacting standards, Built to last and known for its Quiet operation. Shreds up to 100 sheets of paper per day this shredder offers quick and easy destruction of confidential materials Desk side placement makes it easy to shred single or multiple sheets of paper at a time without having to leave your desk Shred paper to security level 3 standards. 8 1 4 Feed opening for both letter and legal sized documents Automatic on off allows you to insert paper and
