PRODUCT DESCRIPTION

Dahle 20414 Level 3 Cross Cut Small Office Paper Shredder Proficiency best describes this Dahle Small Office Paper Shredder with its ability to get the job done quickly and easily with minimal effort. Small offices or teams of employees will benefit from the ease of use and quiet operation of this mid size shredder. Designed to shred between 100 and 400 sheets of paper per day. This Paper Shredding Machine is perfect for destroying personnel records, client proposals and tax information. Dahle s 20414 is built with a 9 1 2 feed opening to accommodate both letter and legal size paper with ease. This cross cut machine offers a 1 8 x 7 8 particle size and is able to shred to security level 3 standards. All you need to do is decide what document to shred and this Dahle Small Office shredder will take care of the rest. This professional shredder is constructed using a wooden cabinet with swing open door. The door hides the addition of a removable Shred Box which makes changing bags easier. This box can be easily lined with Dahles Disposable Shred Bags and emptied or recycled when full. If youre not sure when that will be dont worry. Your shredder will inform you with its visual warning indicators. Once your shredder is empty and the door is closed, it will resume normal operation.
