PRODUCT DESCRIPTION

Dahle 20612c Level 4 Cross Cut Office Paper Shredder With the widespread use of network printers and fax machines, confidential business information is constantly being printed throughout the workday. It's important to have a powerful shredder located nearby to easily dispose of this information. This Dahle Office Shredder is designed to accommodate the needs of most busy offices by shredding between 400 and 2,000 sheets of paper per day. It's a perfect shredder for destroying marketing plans, health records, and any other confidential information that should not be seen by others. The Dahle 20612 C offers a 10.25 Inches feed opening and can shred up to 14 1/4 sheets of paper at a time. This machine features a user friendly control switch that allows the user to turn the shredder on or place it in reverse in the event of an overfeed. Normal office functions will not be bothered by the use of your Dahle Office Shredder. Each cutting cylinder is encased in an all steel frame and sits on rubber shock mounts. It's this design that reduces vibration through the cabinet and provides whisper quiet operation.
