PRODUCT DESCRIPTION

MBM DESTROYIT 2604 SMC Super Micro Cut High Security Paper Shredder Destroyit Super Micro Cut SMC shredders produce a shred particle so small; they actually exceed the highest DIN security level. Destroyit 2603 SMC meet NSA CSS specifications and is US DOD approved. MBM Destroyit 2604 Super Micro Cut Shredder is an ideal choice for low to mid volumes highly secure shredding. With its hardened steel cutting shafts, it can shred up to 8 sheets in a single pass. Destroyit 2604 super micro cut shredder includes SPS Safety Protection System package with an electronically controlled, transparent safety shield in the feed opening. Easy Switch control element that uses color codes and back lit symbols to indicate operational status, enhances its functionality. Auto Stop feature also available when your shred bag is full or when the cabinet door is opened. To avoid paper jam automatic reverse and stop is also available. It has 26 gallon bin capacity. It also has double protection against overheating, automatic start and stop controlled by a photo cell, and high quality hardened steel cutting with one year limited warranty. All other parts have a 1 year warranty excluding wearables . SPS Safety Protection System package electronically controlled, transparent safety shield in the feed opening; Easy Switch control element uses color codes and back lit symbols to indicate operational status; automatic reverse and power cut off avoids paper jams ; automatic power cut off when shred bag is full or when cabinet door is opened; double protection against overheating; ESM Energy Saving Mode after 1 hour of inactivity. For a limited time, the 2604 comes with a free, factory installed automatic oiler. Contact us for details. FEATURES Super Micro Cut, approved Level 6 security standards Meets all NSA CSS specifications and is D.O.D.
