PRODUCT DESCRIPTION

The HSM 386.2 is the perfect paper shredder for EDP departments as the large 15.2 throat allows for easy feeding of computer listings. This strip cut version shreds up to 20 sheets in one pass and can also handle credit cards. Modern electronics and features plus an attractive console mounted on castors for easy portability. Features Wide 15.2 feed throat and powerful, specially designed drive for high performance department shredding. Automatic start stop control via electronic eye with standby operation. Reverse button to release overfed paper. Specially hardened solid steel cutters handle paper clips, staples and even credit cards. Large capacity paper bin provides greater shredding efficiency with easy pull out removal. Mounted on castors for easy portability. Optional paper tray attachment for continuous forms or large quantities.
