### PRODUCT DESCRIPTION

The new Martin Yale 3000SC strip cut shredder is perfect for a small office with 1-3 users. The Martin Yale 3000 Strip Cut shredder is versatile and can easily handle CD's, DVD's and credit cards. This shredder offers performance and security standards which normally can only be found in high end shredders. The Martin Yale 3000 strip cut shredder turns on and off automatically when it senses items that need to be shredded and includes an led panel for safe operation. With the 3000SC you can shred documents with paper clips and staples. Plus, the sealed enclosure helps to cut down on paper dust while the window in the front the door helps to let you know when your shredder is full. In addition to all of these features, the Martin Yale 3000 series of shredders come mounted on a set of four casters for easy mobility throughout your office.
